

ZeoFill® Limited Product Warranty

ZEOFILL® warrants to the owner of the landscape artificial turf at which ZEOFILL® has been installed (“Turf Owner”) that, for a period of five (5) years after the date of installation (the “Warranty Period”): (1) ZEOFILL® will not deteriorate in excess of limits described below under normal and proper use as an infill for an artificial turf. To avoid fraud, install company must be purchasing only ZEOFILL® and not another zeolite product.

If ZEOFILL® determines that any ZEOFILL® does not conform to this Limited Product Warranty (the “Warranty”) during the Warranty Period; ZEOFILL® shall provide to the turf owner new ZEOFILL® to replace the non-conforming ZEOFILL®. Note: Shipping, removal and installation are not included.

Anticipated condition of ZEOFILL® during 5 years of normal wear:

1. On average, a minimum of 60% of the granule will remain solid during the warranty period. If any mesh granular is visible within the limits of 14 X 30, then warranty claim is void. To be covered under this warranty, all mesh granules in the turf must be defective. This is to protect ZEOFILL® from fraudulent claims due to install companies not installing the correct amounts of ZEOFILL®. We are not responsible for individual install companies who do not install the correct amount of ZEOFILL®.

Restrictions

This Warranty shall be effective only if:

1. The attached **ZEOFILL® Limited Product Warranty Registration Form** providing the Turf Owner’s name, installation date, installation company, product information, install location, turf type, ounce weight is completed and filed with ZeoFill® at the address below, postmarked no later than sixty (60) days after ZEOFILL® initial installation.
2. All written notices must include the name of the Owner, install location, installation company, product information, and a brief description of the complaint and must be sent to:

ZeoFill®,
Attn: Limited Warranty Claim Dept.

4. The ZeoFill® must be present inside the turf fibers either in granular or powdered mesh.
5. The ZEOFILL® representative(s) (or its appointed representative(s)) inspect the ZEOFILL® and determine that (i) the ZEOFILL® has deteriorated prematurely in excess of limits described herein, under normal and proper use and/or (ii) the ZEOFILL® contains defects in material and workmanship. Twenty (20) samples will be taken at random (spaced no closer than 20’) across each section of turf to the entire depth of the ZEOFILL®. The samples will be tested by a third party.
6. If fraud is present under any of these terms, ZEOFILL® will have the rights to prosecute to the fullest.

If all of the foregoing criteria are met and ZEOFILL® representatives determine that the ZEOFILL® does not conform to the quality standards set forth herein, ZEOFILL® shall provide to the turf Owner new ZEOFILL® to replace the non-conforming ZEOFILL®.

Note: The Turf Owner shall be responsible for all travel costs and expenses of the ZeoFill® representative should the representative determine that the ZEOFILL® shows no signs of premature deterioration and/or contains no material defects outside of those stated. If the ZEOFILL® representative(s) determines that the ZEOFILL® does not comply with the standards set forth herein, ZEOFILL® shall pay the travel costs and expenses of its representative(s). ZEOFILL® has the rights to charge Turf Owner before representative arrives to Owners location. A refund will be issued no more than 15 days if the ZEOFILL® is determined to be faulty.

This Warranty shall not apply to any ZEOFILL® which has once been installed and thereafter removed to a new location. This warranty is voided if known recommended amounts of ZEOFILL® can not be properly installed due to heavy thickness of turf. No warranty for ZEOFILL® under the turf.

It may be necessary to add ZEOFILL® to an install during the Warranty Period due to migration or turf replacement. This additional supply of ZEOFILL® is not included in this Warranty. In the event such additional ZEOFILL® is required after migration or turf replacement, the Warranty Period shall run from the point of the initial ZEOFILL® installation.
